VERITABLE WORDS OF REV. SAM P. JONES.

The following is an extract from a letter written by the World's Renowned Evangelist "I returned from Tyler, Texas, on the 12th. I find my wife has been taking ROYAL GERMETUER to the great upbuilding of her physical system. She is now almost free from the distressing headaches with which she has been a martyr for twenty years. Surely it has done wonders for her. I wish every poor suffering wife had access to that medicine.

Again, on February 6th, he writes: "My wife, who has been an invalid from nervous sick headache, has been entirely cured by six weeks' use of Dr. King's ROYAL GERMETUER. Her health is perfect. In three weeks two of my children were cured completely of nasal catarrh. It is truly a great remedy.'
